

Trivia Night Fundraiser Sponsorship Opportunities

Sponsors allow us to ensure that we raise the most money we possibly can for the Integrated Behavioral Health Clinic (IBHC). IBHC provides FREE therapy to our community while providing real life practice opportunities for social work, counseling, and psychology students. This program is connected with the University of Missouri School of Social Work and several of Better Together Mental Health's team members practiced as therapists and clinic manager at IBHC during their masters program. The money we raise at this fundraiser will help IBHC with ensuring they have the supplies and equipment needed to provide our community the therapy they need. The fundraiser is scheduled for October 27, 2026.

Sponsors' logos will be included in all marketing materials, we will promote all sponsors verbally at the event and in marketing as often as possible, and we will include at least one custom post on our social media channels. We are open to discussing other ways we can recognize your contribution to this event based on your sponsorship.
